

Conservation Meeting May 18th, Tuesday

Meeting called to order by Andy Smith, Chairman at 7:40 P.M.

Members attending the meeting were Frank Brunstetter and Mary Tichenor

We reviewed the two concept plans-although we have no comment to the Planning Board at this concept stage. Both developments will need to submit landscape plans for review in subsequent applications.

1. Mathstone Development on Norton Street 25-33 North of Leigh Station lots 102-103.
2. Flaherty's Restaurant (formerly Norton Grille) Main Street.

They are going to be doing renovations on exterior and Interior. There will be a wrap around deck/porch.

The revised Woodland EPOD is now in the office code of the Village. EPOD applications and permits are a Planning board responsibility.

Meeting adjourned at 8:08 P.M.

Respectfully submitted by Mary Tichenor
