**Story:**

The scenic village of Honeoye Falls is a 20 minute drive from just about everywhere, and well worth the trip. The village and town that make up zip code 14472 has great natural beauty, with a wide creek lacing through it and its trademark waterfalls. Houses and storefronts dating from the 19th century have been carefully restored. All this visual splendor has attracted a large number of professional artists who make their homes there. Thirty of these Honeoye Falls residents will be participating in an exhibition ART::14472, hosted by Mill Art Center and Gallery, their 'home town' gallery.

The gallery is housed in an 1837 stone grist mill with three stories of interesting businesses. The first floor has the Rabbit Room, a top quality restaurant and party house, while the second and third floor offer galleries, gift shops, a yoga studio, massage therapy, art classrooms, offices and an Asian antiques museum.

A visit to this historic landmark is worth the drive alone.

The Main Gallery at the Mill is having a wine and cheese reception on Feb. 13th, from 6:00 to 8:00 PM, where you can meet the artists, view sculpture, ceramics, hand-crafted fine furniture, metal, glass, textiles, drawings, paintings and photography. After seeing the art work you can enjoy a gourmet dinner downstairs at the Rabbit Room. Call 585-582-1830 for reservations.

Art::14472 will be exhibiting through March 20th. Regular gallery hours are Mon-Sat 11-5, with evening hours on Thursdays until 9:00.
