

# Computer, TV and Electronics Recycling Drive

Sponsored by **HF-L Green Team** and  
**Regional Computer Recycling &  
Recovery**

**Saturday, May 15, 2010**  
**9:00 am – 1:00 pm**

**In the HF-L High School East Street  
Parking Lot**

Please contact  
**Andrew\_Corey@hflcsd.org**  
with any questions.

## *\*\*Why recycle electronic appliances?*

Computers and electronics may contain hazardous waste such as lead, mercury, cadmium and beryllium. Monitors and TVs may have 4-8 pounds of lead each! Most equipment will be disassembled and recycled on a materials basis, while some will be cannibalized for reusable parts.  
**ALL HARD DRIVES WILL BE SANITIZED and/or DESTROYED.**

## The following items can recycled:

Computers	Cell phones
Typewriters	Batteries
Printers	Computer Accessories
Fax machines	Cables and Wiring
Telecom equip.	Video Game Systems
A/V equip.	Microwaves
Monitors	Electronic Scrap
Circuit boards	Ipods
Terminals	PDAs

\*\*Televisions will be accepted for a **\$15 recycling fee**, part of which will be donated to the HF-L Green Team

→ Donations will be accepted for the **Green Team**, which is responsible for recycling and for raising environmental awareness in the Honeoye Falls–Lima School and community.

**50% of donations will go to the Ugandan Water Project, to supply drinkable, fresh water for a village in Uganda, Africa.**
