Village of Honeoye Falls—Tree Donation Form

Thank you for donating a tree to the Village of Honeoye Falls! Your generous donation will help maintain the Village as one of the most beautiful places in Western New York and further the Village's reputation as a "Tree City U.S.A."!

Before you proceed, you should be aware of the following rules, restrictions, and conditions:

- Once you select a tree to donate, the Village will have the sole responsibility for approving the specie and location of the tree. The tree will be planted by Village staff on Village property or within a Village right-of-way. We will work with you to try to select an appropriate place but cannot guarantee a placement site. Trees to be donated on West Main Street, East Street and Maplewood Avenue will need to be approved by Monroe County prior to donation.
- Once donated, the tree will become and remain the property of the Village. The Village shall maintain the tree in the ordinary course of its duties and shall have sole discretion relating to the maintenance, trimming, and/or removal of some or all of the tree, if necessary or beneficial.
- The Village in no way guarantees or warrants the tree or its survival for any period of time.
- The Village purchases trees with a caliper of 1.75" - 2.5". The minimum donation must cover a tree of this maturity.
- Once donated, the donor shall retain no interest or rights in the tree whatsoever.
- Donation forms must be submitted to the Village office no later than March 1st for Spring planting.

Thank you again for your kind donation!
